# M Ahmad

Recruiter | Frontend developer | Influencer & Affiliate marketing manager | BSCS  
Sahiwal District, Punjab, Pakistan

## Summary

As a recruiter at Mostbet Partners, I leverage my BSc in Computer Science and my experience in affiliate management to connect talented individuals with rewarding opportunities. I have a strong background in front-end development and graphic design, which enables me to understand the technical and creative aspects of various roles. My goal is to foster a positive and productive work environment for both candidates and clients, ensuring a smooth and successful hiring process.
